

The map displays the town of Radville, North Dakota, which is divided into a grid of numbered lots. The grid numbers range from 001 to 622. The town is situated along a river, likely the Missouri River, which flows through the center of the town. The map also shows surrounding areas, including the towns of MacNutt and Radville. The map is color-coded, with green representing land, blue representing water, and red/brown representing specific areas or boundaries.
